

Hello everyone, my name is Steven Hernandez and I wanted to personally thank everyone who has supported us in our fight against Northside Independent School District (NISD).

My daughter has been deeply touched by all the support she has gotten around the world and in the United States. Andrea is so grateful to everyone that has come out to support her. She wanted everyone to know that she doesn't fight just for believers, but, for non-believers as well. She wanted everyone to know that she fights for the rights of all people and that what they have done to her here in San Antonio is just the first step of what's to come.

We the Hernandez cannot truly put into words how we feel about the support from all around the world. It touches our hearts deeply and profoundly. We are so grateful and thankful to all who have supported us. We are a gracious and humble family with a strong love for our God and will never compromise our salvation or, "fall in line like the rest them," as Deputy Superintendent Ray Galindo wanted Andrea to do.

So in closing we the Hernandez want to say thank you to all of you and God Bless each and every one of you and feel free to show your support by voicing your opposition in writing and phone calls to 5900 Evers Rd, San Antonio, TX 78238. Please address to each and every board of directors of NISD, their phone number is 210-395-8500.

Please show your support if you like by going to Students Against RFID Tracking and San Antonio Spy Chips Facebook pages, or ChipFreeSchools.com.

Also we are planning a rally again in February, so please watch our websites for details and we invite everyone to come and stand with us in these rally's and I for one would love to see hundreds or thousands march on NISD and John Jay and Anson Jones.

We invite everyone to our upcoming forum, so please watch all the websites that I named above and the San Antonio We Are Change website, SanAntonioTruth.org.

God Bless You and Thank from the Hernandez Family,

Steve, Adelina, ANDREA, Vinson (Vinny) Hernandez
